Any players under the TAB “Pending Approval Players” – have NOT signed the waiver

For players under “Pending Approval Players” – check email addresses

If there is a “Send Invitation” button – press it and it will email the parent to setup a Guardian Account. Once their Guardian Account is setup they will need to login at [www.ussssa.com](http://www.ussssa.com) (Using the Guardian Button in Red Below)

If there is a “name listed” they already have a Guardian account and they simply need to login. If they cannot remember their password they can go to [www.ussssa.com](http://www.ussssa.com) – click on login – use the lost password button. They can then check their email for their password (be sure they use the guardian password and not team management)
